

Keith McKinley – MRTTP , AICP

Keith has been with the City of Mt. Shasta since August 2001. His background includes working as an Executive Director of the Northern California Regional Land Trust in Chico, and he has experience from various projects working for consultants in the planning field. Born in 1959, Keith is a graduate of Humboldt State University, majoring in Geography. After completing his Bachelors Degree, he moved to Chico, California, where he earned a Masters Degree in Rural and Town Planning. His focus was Planning Law and the use of Transfer of Development Rights as a means to create greenbelts at urban/rural interfaces of small cities.

While attending graduate school, Keith focused on Planning and Environmental Law while volunteering for the Community Legal Information Center in Chico. While there, he was awarded the Public Law Community Service Award.

Since he began as Planner for the City of Mount Shasta, he has been accredited by the American Institute of Certified Planners (AICP) and has applied his education and understanding of planning law with a love for mountain communities to work for the City of Mt. Shasta and surrounding area.
